## PROFILE

MY name is Malaika Abid. As a WordPress Developer with 6 months of hands-on experience, I have developed a solid foundation in creating and customizing WordPress websites. My focus is to listen & understand your requirements to deliver engaging, impactful, & truly unique WordPress website design.

I bring a blend of advanced website development skills, responsive design expertise, and creative graphic design to every project, ensuring a cohesive and impactful digital presentation.

## EDUCATION

2023 - present

I am currently pursuing a Bachelor of Science in Computer Science from Islamia University Bahawalpur, where I am deepening my understanding of cutting-edge technologies, coding principles, and advanced problem-solving techniques to prepare for a dynamic career in tech.

2021 - 2023

I successfully completed my Intermediate examination from Government High Secondary School, marking a significant milestone in my academic journey and setting the stage for future achievements.

2019 - 2021

I successfully completed my Matriculation examination from Rising Pakistan High School, marking a significant milestone in my academic journey and setting the stage for future achievements.

## SKILLS

- Good communication - written and oral skills
- Excellent conceptual and analytical skills
- Effective interpersonal skills
- With a strong background in website development, I excel at creating responsive, user-friendly sites that adapt seamlessly to all devices and deliver exceptional user experiences.
- My expertise in graphic design allows me to craft visually captivating content that not only catches the eye but also aligns perfectly with branding and marketing goals.
- Develop high-quality websites
- Combining my skills in website development and graphic design, I build responsive websites that are both aesthetically pleasing and optimized for performance.
- My proficiency in Canva editing enables me to design eye-catching visuals and marketing materials that make a significant impact and effectively communicate key messages.
- Ability to hand code HTML/CSS.
